7th December 2018

Dear Parents,

The end of term is now just a couple of weeks away and whilst it has been a long term, there are still a number of events that we have planned over the last few weeks.

Our **year eleven students** will be undertaking their **mock examinations** over the next two weeks. Mr Hobbs gave the students a full briefing on Monday about how to approach these assessments and the importance of using them as a springboard for success next summer. We wish all of our year eleven students the best for the next two weeks.

Our **year thirteen students** will face their own **assessments** in the new year and they should use the remaining time this term to ensure they are fully prepared and have their university applications complete.

A reminder to parents and carers that term will finish on **Friday 21st December at 12.00pm**. Lunch will be available for students in receipt of free school meals. We will return to school on **Monday 7th January** for the spring term.

On Wednesday of this week we were delighted to welcome into school a large group of our senior citizen neighbours who were entertained at a **Christmas party** with carols, music and Christmas refreshments. Well done to all the students who took part in this.

In the next few weeks we have a number of events planned. Next **Monday 10th December at 6pm** at Beeston Parish Church we will share a **Christingle** with our family of primary schools. On Wednesday we have our annual visit to the **pantomime** for year seven students and on **Thursday 13th December** we have an evening of entertainment starting at 7pm in the theatre in the "**Chilwell Factor**."

In the final week of term we have combined both our **Christmas dinner and Christmas jumper day on Wednesday 19th December**. We encourage everyone to get involved in this nationwide festive event and wear a novelty Christmas Jumper, an existing jumper with Christmas decorations or a Christmas hat. Please note **our Christmas jumper day is Wednesday 19th December**. To participate, students should bring a £1.00 donation. This will be collected during registration on Wednesday morning. Fifty pence will go to **Save the Children** and fifty pence to our local charity of **Operation Orphan**. Students should bring their usual school equipment including PE kit as normal.

We hope that you are continuing to find the information provided through **Weduc** useful and helpful in supporting your child at home. If you are having any problems using the app, please contact the school.

I would like to take the opportunity to wish all students and their families a peaceful and restful break and new year.

Best wishes,

David Phillips
Headteacher
