FAQ's

Are places limited?

Some of the activities have limited places, if you don't get offered a place on the activity you have selected we can offer you a place on another activity and/or give you priority the following term.

Is there a cost?

For most activities there will be no cost. Some activities might require you to bring equipment (e.g. Football kit), activities like Cookery Club may require you to bring ingredients.

Can I change my mind?

If you change your mind before the deadline, submit another form and we will ignore the first one.

If you try an activity and then change your mind, all the activities are optional, we might be able to swap you to something else but only if there is space.
